Speed Queen: Unparalleled Quality

Geneva Ace Hardware is proud to carry Speed Queen top load washers and dryers, rated **MOST RELIABLE by Consumer Reports!** Here are some of the features that make Speed Queen the best:

Commercial Quality. Home Approved.

Speed Queen® washers and dryers have been a staple of the laundromat industry for years. Why? Because they stand up to years of demanding commercial work.

Commercial-Grade Means Better Made.

Stronger parts make for longer performance. While other manufacturers use plastic parts, Speed Queen® uses commercial-quality metal components. Speed Queen® takes pride in the quality of their products and their dependability in your home.

Dependable Not Disposable Electronic Controls.

If your control doesn't work, neither does your machine. Speed Queen® electronic controls are engineered for years of reliability.

Making The Grade By Passing The Tests.

Speed Queen® employs a unique 5-stage product development process in a state-of-the-art test lab, testing to 10,400 cycles, the equivalent of 25 years of performance in the average home. **This is two to three times longer than other brands!**

The Proof Is In The Warranty.

Speed Queen® machines are backed with industry leading 3, 5, & 7-year warranties, seven times longer than the industry average and includes all parts and in-home labor.

Heard enough? Come in to Geneva Ace Hardware and see for yourself why Speed Queen® is the best you can buy!
