Take care of your feathered friends this winter

We are in the midst of a typical Illinois winter right now, with the ice and snow that make it hard for birds to find food. Due to their high metabolisms, birds need to eat to keep up their body temperature.

Feeding wild birds not only helps them to survive the winter, but watching their antics on these dreary winter days can offer hours of enjoyment. Now more than ever, we need the beauty of nature to help us feel calm and connected to the planet.

Geneva Ace Hardware has all the supplies you need to keep the birds fed and healthy all winter long. We have bird food, suet, feeders and more. During the month of February, there is a great sale on Ace Bird Food and Suet. Stop by today and stock up for the rest of the season. The birds will thank you!

Geneva Ace Hardware
will always be your
HELPFUL PLACE.

Spring Cleaning in February? Why Not?

We've all got a bit of cabin fever right about now, and most of us just want to curl on on the sofa, binge on Netflix, and wait for winter to pass.

But then you see the dust bunnies under the console, and fingerprints on the window glass, and you know you've got some cleaning in your future.

Why not tackle it now, instead of waiting for spring? Geneva Ace has everything you need for just about any clean-up job in your home, from cleaning products to buckets, mops, and more!

Check out our great deals on Bona Floor Cleaners and Scott Rags this month. Get those cleaning tasks done, and you'll be ready when the sun shines and you can be outside once again.
