Fall has arrived! Here are some tips to prepare your home for winter

The days are getting ever shorter, the nights cooler, and the leaves are starting to fall. Below are some tips for getting a jump on the winter season:

- Get your lawn in shape for the winter. This year's drought may have resulted in bare spots; take care of them with Scotts EZ Seed, now on sale.
- Prepare your chimney for cozy evenings by the fire by scheduling an annual safety check.
- Be sure your home has a working fire extinguisher available, like the First Alert Fire Extinguisher, on sale at Geneva Ace. See page 2.
- Prepare your furnace for the heating season with fresh Ace Basic pleated air filters. Buy two get one FREE at Geneva Ace. See page 2.
- Check and trim your landscaping for dead or damaged tree limbs. Geneva Ace has the Ace 32 gal. trash can, Iron Hold Heavy Duty Contractor's trash bags, and Glad Forceflex trash bags all on sale.
- Freshen up your interior and decorate for the season! Take 20% off 3M Command Strips all month. See page 2.
