## Father's Day: It's time to show Dad some love!

Dads can be notoriously hard to buy gifts for, but on Father's Day, you really want to show them how much you appreciate all they do for the family.

Geneva Ace Hardware wants to assist with a couple of great gift ideas for Dad that will provide years of enjoyment, and best of all, make his life easier.

### #1: For the Dad who likes to grill

Geneva Ace Hardware has a great selection of grills, but the gift of a Weber grill is sure to make this year's Father's Day memorable.

#### Why Weber?

Weber grills are manufactured in the heart of America: Chicago, Illinois. Yes, basically Weber grills are born practically in our back yard! Weber created the kettle grill in 1952 and their famous Flavorizer bars in 1985, and continue their tradition of innovation to this day.

Weber grills go through rigorous quality control with every component tested, and they hold each and every product to the highest standard of quality. In other words, Weber grills are built to last, using durable steel and grill coatings to hold up under the harshest environmental conditions.
