APPLY FOR YOURS TODAY!

It's Starting to Feel Like Spring!

We don't know about you, but we can't wait to get out in the warm sunshine and feel that lush, green grass between our toes.

The first peek of grass is right around the corner, so now is the time to make sure you have everything you need on hand.

Scotts® 4 Step® Program is just the thing to ensure a healthy, plush lawn. Start with Step® 1: Crabgrass Preventer Plus Lawn Food, on or before Easter. Follow up with Step® 2 in late spring, anytime between April and June, or 4-6 weeks after applying Step® 1 to kill broadleaf weeds like dandelions while feeding and nourishing the lawn. Step® 2 builds thick, green turf from the roots up.

Give your lawn a mid-season boost with an application of Step® 3 between June and August to feed and strengthen your lawn against heat and drought. Finally, apply Step® 4 between August and November to green up your lawn, and help strengthen and protect it for a better lawn next spring. Pick up your Scotts® 4 Step® Program today and save!

Once you've got that lawn growing, you'll need the power of EGO to make mowing a breeze. EGO is the #1 rated brand in outdoor cordless power.

Stop by today and get started on your beautiful summer lawn!

Feeding Wild Birds in Spring

Spring is nesting time for wild birds, which means they depend on you more than ever. Even though the warmer temperatures bring new foliage and trigger the emergence of insects, the availability of natural food for wild birds doesn't really peak until late summer and early fall. In spring, when the need their resources to nest, mate and defend territories,

birds are hard-pressed to find steady food sources.

They need just as much energy as they did to make it through the winter months.

An excellent source of nutrients and energy is suet, which provides a meal high in needed protein and fat. Black Oil Sunflower seeds are also an excellent source of energy, with higher concentrations of fat than regular Sunflower seeds.

Geneva Ace Hardware has all the supplies needed to keep your feathered friends happy, healthy and singing away. Check out our great buys on Ace Suet and Ace Black Oil Seed. Stock up today and enjoy the beauty of wild birds all season long.
